NEW

### Looking Forward to....

#### Enrichment Pilot Project

We are pleased to announce that our school was chosen for a new pilot project led by a teaching coach from McGill University with a Masters in *Inclusive Education*.

This pilot project has many benefits for our Enriched students. It will particularly focus on the development of public speaking, researching for valid sources, writing persuasive arguments to support a chosen stance, critical thinking, listening and team work.

Students will have the opportunity to partake in a real debate with another participating school.

#### Plants for Sale!

Our daycare team and students have planted herb seeds, vegetables and flowers.

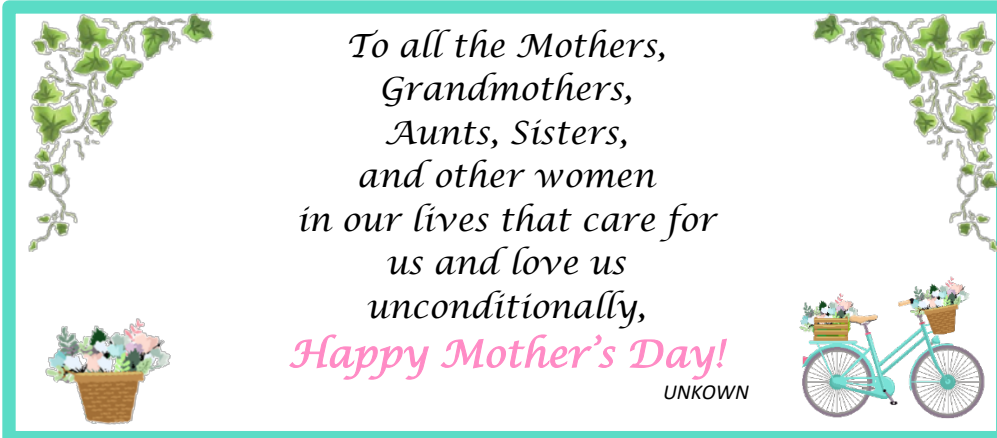

They will be selling these seedlings to our East Hill students during the week of **May 17<sup>th</sup> to May 21<sup>st</sup>** during lunchtime.

Please **stay tuned** for more Information on how to make a purchase.

*To all the Mothers,  
Grandmothers,  
Aunts, Sisters,  
and other women  
in our lives that care for  
us and love us
