## Family Monthly Newsletter

November 2020

### Covid Update

Hope this letter finds you well and safe. I would like to take this opportunity to thank **YOU**, our school community, for standing together and strongly recommending that ALL students wear a face cover.

I am happy to announce that 98% of our students are wearing their face coverings. This is **AMAZING!!**

Thank you parents for your continued support!

**TOGETHER, FOREVER, UNITED AS ONE !!!**

### We've Been Busy!

❖ Assemblies are now Virtual!

❖ The Bee Project

❖ Halloween

### Virtual Assembly

Assemblies are essential as it gives us the opportunity to address and connect the students together.

On October 9<sup>th</sup>, our school had its first virtual assembly.

The school rules, health and sanitation protocols for Covid were addressed.

### The Bee Project

Our grade 4 students learn about the wonderful world of bees and pollination in Science class.

Last year, this brought about a wonderful initiative allowing us with the help of Alvéole to install beehives on our rooftop!

This year our hive was able to make 108 jars of golden honey.

**Thank you Mrs. Monti & Mrs. Kayla for this initiative.**

### Halloween

Students were pleasantly surprised when they arrived at school!!

**THANK YOU** Home & School parents for your time and effort in making this Halloween Spooky hallway theme come true!

Teachers and students also participated in a door decorating contest! The winning doors will receive a pizza party. Also, all students received treats such as popcorn and candy.
