

East Hill Home & School Association

September 4th, 2018

Welcome new and returning East Hill families,

It is time once again for our annual Home and School membership campaign. Please come join us by becoming a member.

As many of you already know, Home and School has been a very important part of East Hill for a number of years now. Our children are very fortunate to have the collaboration of Home and School in the planning and organization of many events and activities. Our members are devoted parents, just like you, who realize the benefits of getting involved. Without its members, Home and School would not exist.

By joining East Hill's Home and School Association you have a voice and a role contributing in issues such as fundraising, planning special events and the allocation of funds in the scope of promoting the general well-being of the school.

Membership gives you the opportunity to get involved. Whether you would like to participate actively or not, you can take part in Home and School activities, participate at monthly meetings and vote. You also receive the QFHSA (Quebec Federation of Home and School Association) newsletters filled with resourceful information.

To become a member, please fill out the application form provided and attach a cheque for \$18 (per family) payable to "EAST HILL HOME AND SCHOOL ASSOCIATION" no later than Friday October 5th, 2018. Membership fees are required by the QFHSA to cover administrative costs and resource materials.

If you have any questions about joining Home and School, please do not hesitate to contact me by forwarding a note to the school to my attention or by emailing me at easthill.homeandschool@outlook.com.

Thank You

Nadia Marateo
East Hill Home and School Vice-President
